TCVP\_Voluntary Cancellation FRN\_110520.docx

<!--[endif]-->

Elissa,

Attached is the TCVP draft FR for review. Please just let us know if you have any questions or would like to see any edits. I've also attached the petition denial and link to the voluntary cancellation request FR from September for your convenience: <https://www.regulations.gov/document?D=EPA-HQ-OPP-2009-0308-0017>

Please note, the voluntary cancellation FR attached is only for the Hartz products; the ChemTech use deletions will occur with RD's review of the amended labels (expected by December).

Thanks,  
Dana
